

The Bible Student Library Series

7 great books plus The Great Controversy

by one of the world's best-known religious writers, E.G. White

Here is a complete library of inspirational biblical commentary! The past comes to life in all its color and drama... and the future becomes as sure as history. These are the stories of God's love and care from creation to eternity. Additional volumes provide commentary on Jesus' life, His ministry, and healthful living. Using the enclosed envelope, pick any single volume, and we'll send it to you free of charge, postage paid. Then, we will send you another envelope with your first selection, so you can select another free book until you have all seven! Select your first volume now.

Patriarchs & Prophets

— (Old Testament part 1)

Presenting the entire story of the conflict between God and Satan, this book explains the origin of sin and defends creation. It has been described as the "best commentary ever written on the first third of the Bible."

Prophets & Kings

— (Old Testament part 2)

Prophets & Kings picks up from the days of Solomon and goes to the end of Old Testament history. It is rich in lessons drawn from the experience of God's chosen people, which offers encouragement and guidance to us today. A tremendous biography of Bible characters!

Desire of Ages

This book is acclaimed by many as the greatest commentary on the life of Christ ever written. Filled with gems of truth and wisdom from the life and ministry of Jesus, here in one volume, are inspiring and comfort-giving truths for everyone, and for all time.

Christ's Object Lessons

The truths that Jesus taught in the 28 stories He told are eternal — they speak directly to the spiritual needs of people today. This book presents these timely and timeless truths in a manner that can be easily read and understood by all!

The Sermon on the Mount

This book is a present day application of what Jesus taught about the principles of successful living. It will bring peace to troubled minds.

Ministry of Healing

Serving as a "prescription" to happy, healthful living, thousands of sufferers from physical and emotional illnesses have experienced improved health as the result of practicing these simple but profound teachings.

Acts of the Apostles

Hear the vivid description of the trials and triumphs of Jesus' disciples from His death to the close of their lives. Read about the early Christian church — an example in purity for the church today.

The Great Controversy

Here is a clear explanation of history, portraying the mighty conflict between Christ and Satan from the beginning of time to the present, and on to the end of all things as prophesied in the Bible. You can understand the past, know the present, and have a preview of the future events by reading this book.
