**IMPORTANT:** The number of homes in a ZIP code or mailing route is constantly changing. Therefore, if you are using counts and costs that are more than 30 days old, please contact PROJECT: *Steps to Christ* to get up-to-date information on the number of homes in your ZIP code of mailing. If after you have placed your order, we discover that the number of homes in your mailing has increased or decreased due to this constant change, we will either bill you or credit you for any difference greater than \$10.00.
